

Campus Aqua in Büsserach (CH)

Empower your facade

New warehouse surrounded by a complete solar facade mounted on the north, east, south and west facade. The solar facade is composed of green SKALA modules in standard size combined with customized lengths covering 70 % of the energy self-consumption of the building.

90 MWh

Energy yield per year

1,200 kg/year

CO₂ savings based on country-specific emission factors, determined in 2021

SKALA Green
