

# *Nya Kronan in Sundbyberg (SE)*

As part of an extension, the office building was designed to achieve the highest level of LEED Platinum Core & Shell environmental certification. The black SKALA modules integrated between the ribbon windows play a part in this.

**48.93 MWh**

Energy yield per year

**400 kg/year**

CO<sub>2</sub> savings based on country-specific emission factors, determined in 2024

**SKALA Black**
